Capital Churros Equipment

We can provide you with churro equipment for your outdoor sales. Our churro carts are compact, mobile, clean and easy to transport and are approved nationwide. Carts can be used with or without an umbrella.

Cart Features:

- Warmer/oven combo
- Cinnamon & sugar tray
- Spacious storage capacity
- Clean & easy to transport
- Hand wash sink
- Highly mobile

Propane Cart includes gravity water system and requires no electricity to provide hot water

Electric Cart power requirements: 220 V

Capital Churros offers both propane-heated and electrical churro carts depending on your requirements.

Churro Cart Dimensions

Propane cart: 52" x 33" x 74"

Electric cart: 60" x 36" x 84"

Warmer:

MODEL 680-1 Provides bottom heat to keep churros crisp. The illuminated shelves are thermostatically controlled to provide temperature flexibility. These warmers keep churros “just out of the oven” fresh and hot for up to six hours.

Features:

- White hood with graphics panels
- Adjustable thermostat
- Temperatures from 80 to 150° F.
- 2 or 3 heated illuminated plates
- Available with 1 or 2 doors for self-service

Warmer Specifications:

DIMENSIONS: 24” high, 18” wide, 18” deep

ELECTRICAL: 120 Volts, 260 Watts, 2.1 Amps

INSIDE DIMENSIONS: 13.5” high, 17” wide, 17” deep

WEIGHT: 38 lbs.
